### Presentation purpose:

Emphasize the importance of DVT prophylaxis in the trauma population. Early and consistent administration of venous thromboembolism prophylaxis in this high-risk population reduces the risk of a potentially lethal complication.

### Learning objectives:

- Recognize the risk factors for developing a venous thromboembolism.
- Review Virchow's Triad and the pathophysiology of developing a thrombus.
- Compare DVT prophylactic agents to establish first-line pharmacologic therapy in the trauma population.
- Evaluate the literature to determine whether missed doses of DVT prophylaxis increase the incidence of thrombus formation.

### Target audience:

This activity is designed for the interdisciplinary audience including the following:

### Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

### Accreditation:

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### Credit designation:

This activity was planned by and for the healthcare team, and learners will receive 1.00 IPCE credit(s) for learning and change.

Ascension designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is awarded 1.00 ANCC contact hour(s). (based on 60 minutes per contact hour)

### Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

### Commercial Support:

No commercial interest was received for this CE/CME activity.
