

## **SPEAKERS BIO:**

Parker Hu, M.D., FACS  
Assistant Professor  
Assistant Trauma Medical Director  
UAB School of Medicine

Dr. Hu joined the faculty of the Division of Trauma & Acute Care Surgery after completing residency in 2015 at the University of Missouri. After a year as a clinical instructor within the division, he underwent further training in surgical critical care. Upon completing fellowship, he rejoined the faculty as an assistant professor. In his time since arriving at UAB, Dr. Hu has engaged in numerous research projects and presented his work both nationally and internationally within the fields of trauma and critical care.
