

Speakers Bio:

Lauren J. Griffin, MA, LPC, NCC

Interim Clinical Director

Department of Psychiatry and Behavioral Neurobiology

UAB Medicine

larenjennings@uabmc.edu

Lauren J. Griffin is a Licensed Professional Counselor (LPC) in Alabama and a National Certified Counselor (NCC) with over seven years of experience in the field of substance abuse and behavioral health treatment. She has worked for UAB Medicine in the Department of Psychiatry's outpatient substance abuse treatment program, Beacon Recovery, for five and a half years, beginning as a substance abuse counselor. She now serves as clinical director, overseeing programs in four different levels of care that are certified by the Alabama Department of Mental Health. Ms. Griffin specializes in working with patients diagnosed with opioid use disorder and has extensive experience in collaborating with an interdisciplinary team of medical and behavioral health providers to provide comprehensive substance use treatment in Beacon Recovery's integrated healthcare clinic.
