Presentation purpose:

Dell Seton Medical Center at The University of Texas and Dell Children's Medical Center would like to invite you and your team to the 2023 Austin Trauma & Critical Care Conference. The curriculum is designed to enhance the knowledge and skill of physicians, nurses, allied health, and pre-hospital personnel caring for critically ill and injured patients in rural, urban, and suburban hospitals. Day 1 will be dedicated to pediatric care. Days 2 and 3 will cover adult critical and emergency care.

Learning objectives:

- Describe the advances in management and technology of injured or critically ill adult and pediatric patients.
- Discuss current controversies in the management of adult and pediatric trauma and critically ill patients.
- Evaluate new guidelines and recommendations for the care of trauma and critically ill adult and pediatric patients.

Target audience:

This activity is designed for the interdisciplinary audience including the following:

Specialties: Emergency Medicine, Pediatrics, Surgery, Critical Care Medicine, EMS (Pre-Hospital)

Professions: Advanced Practice Nurse, Non-Physician, Nurse, Other, Physician

Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION
