

Continuing Education/Continuing Medical Education (CE/CME)

Presentation purpose:

The Neuroscience and Stroke Symposium will give learners updates on diagnoses and treatment options for patients with neurological disorders, so they can better care for their patients and improve outcomes. Education will focus on updated medical, surgical, and endovascular treatments for stroke and related neurological conditions.

Accreditation:

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation:

This activity was planned by and for the healthcare team, and learners will receive 13.00 IPCE credit(s) for learning and change.

Ascension designates this Live Activity for a maximum of 13.00 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is awarded 13.00 ANCC contact hour(s). (based on 60 minutes per contact hour)

Ascension has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 13.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

This knowledge-based activity qualifies for 13.00 contact hours of continuing pharmacy education credit. Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

As a Jointly Accredited Organization, Ascension is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Ascension maintains responsibility for this course. Social workers completing this course receive 13.00 continuing education credits.

Learning objectives

- Discuss updates and treatment options for acute ischemic stroke.
- List the indications and treatment options for Carotid Artery Disease.
- Review updates in Speech Language Pathology care of stroke patients.
- Discuss management of central venous sinus thrombosis.
- Review updates and treatment options for hemorrhagic stroke.
- Integrate APRN role into the care of acute stroke patients.
- Distinguish key pharmaceutical interventions used in neurologic patients.
- Explore updates in the management of concussion.
- Discuss pathology and treatment of idiopathic intracranial hypertension.
- Review updates in the identification and treatment of Alzheimer's disease.
- Discuss other neurological conditions including subdural hematoma, traumatic brain injury, and meningiomas.
- Look into neuropsychiatric roles and implications in the treatment of neuro patients.

Target audience

This activity is designed for the interdisciplinary audience including the following: Physician, Physician Assistant, Pharmacist, Nurse, Social Workers, Advanced Practice Nurse

Conflict of Interest

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Faculty/Course Director/Planners

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Friday, Aug. 23 - Saturday, Aug. 24, 2024

Ascension
Via Christi

Agenda - Friday, Aug. 23

- 8-8:30 a.m. **Welcome, continental breakfast**
- 8:30-9:20 a.m. **One Team, One Goal: APPs and Multidisciplinary Care**
Wendy Dusenbury, PhD, DNP, AGACNP-BC, ANVP-BC
- 9:20-10:10 a.m. **Radiological Workup of Acute Ischemic Stroke**
Ahmad Izzard, MD
Kansas Imaging Consultants
- 10:10-10:25 a.m. **Break, Exhibits Open**
- 10:25-11:15 a.m. **CVST: Current State of Evidence and Controversies**
Wyssem Ramdani, MD, MS, MBA
Neurocritical Care Intensivist, Via Christi
- 11:15-Noon **Transcarotid Artery Revascularization: A Paradigm Shift?**
Chad P. Ammar, MD, FACS, RPVI
Assistant Professor Surgery, University of Kansas School of Medicine-Wichita
- Noon-1 p.m. **Lunch**
- 1-1:50 p.m. **A New Era for Alzheimer's - Diagnostic and Treatment Update**
Jeffrey M. Burns, MD, MS
Co-director of the Kansas University Alzheimer's Disease Research Center
- 1:50-2:40 p.m. **EBP in Speech Pathology and Stroke**
Angela Parcaro-Tucker, MA, CCC-SLP, LSVT; Rehab Supervisor, Via Christi
- 2:40-2:55 p.m. **Break, Exhibits Open**
- 2:55-3:45 p.m. **Acute Ischemic Stroke Overview**
B. Blake Gorman, DO; Neurocritical Care Intensivist - Via Christi
- 3:45-4:35 p.m. **Neuromodulation Through Spinal Cord Stimulation**
James Weimar, MD, PhD
Kansas Spine and Specialty Hospital
- 4:35-4:45 p.m. **Closing, Evaluations**

Register Today!

Agenda - Saturday, Aug. 24

- 8-8:30 a.m. **Welcome, continental breakfast**
- 8:30-9:20 a.m. **Idiopathic Intracranial Hypertension (IIH): A New Therapeutic Option**
Suryakumar Reddy, MD, MS;
Director Neurovascular and Interventional Radiology, Via Christi
- 9:20-10:10 a.m. **Endovascular Treatment of Acute Ischemic Stroke**
James Milburn, MD
Vice Chair - Ochsner Radiology
- 10:10-10:25 a.m. **Break, Exhibits Open**
- 10:25-11:15 a.m. **ICH Update**
Paul Camarata, MD
Department Chair, Neurosurgery
KU Medical Center
- 11:15-Noon **Concussion - From the ED to the NFL**
William A Knight IV, MD, FACEP, FNCS
University of Cincinnati Medical Center
Professor of Emergency Medicine, Neurology, and Neurosurgery
- Noon-1 p.m. **Lunch**
- 1-1:50 p.m. **Advancements and Innovations in MMA Embolization: Techniques, Outcomes, and Future Directions**
Serge Srour, DO, DABR
Neuro Interventional Radiologist,
Kansas Imaging Consultants
- 1:50-2:40 p.m. **Mild Traumatic Brain Injury and Rehabilitation**
Katie Sinclair, MD
Board-certified in physical medicine and rehabilitation
- 2:40-2:55 p.m. **Break, Exhibits Open**
- 2:55-3:45 p.m. **Neuropsychologist Approach to Cognitive Impairment**
Robin J. Heinrichs, PhD, ABPP, CN
Neuropsychology Service of Kansas
- 3:45-4:35 p.m. **Personalized Surgical Neuro-Oncology: Current Challenges and Opportunities**
Zsolt Zador, MD, PhD, FRCS (SN), FRCS
Neurosurgeon and Clinical Scholar at McMaster University
- 4:35-4:45 p.m. **Closing, Evaluations**
