

Continuing Education/Continuing Medical Education (CE/CME) Neuro/Stroke Educational Webinar Series: NIHSS in Special Populations

WHEN: April 25, 2023 — 12:00 PM CT (1:00 PM ET)

Registration:

Register in myLearning by searching "Neuro Stroke Webinar: NIHSS in Special Populations" (Course Code: ASC CRX NS NIHSS SP 2023) A link to the webinar will be emailed to registered participants.

Presentation purpose:

The NIHSS training videos do not capture NIHSS assessment techniques and considerations in special populations. Performing the NIHSS in special populations may vary across providers. This webinar series is designed to provide the learner with assessment techniques, considerations, and implications when performing an NIHSS assessment in special populations.

Learning objectives:

- Discuss the purpose and limitations of the NIHSS
- Define special populations
- Discuss NIHSS assessment techniques for special populations

Target audience:

This activity is designed for the interdisciplinary audience including the following: Nurse

Commercial Support:

No commercial interest was received for this CE/CME activity.

Accreditation:

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation:

This activity is awarded 1.00 ANCC contact hour(s). (based on 60 minutes per contact hour)

Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.
