Presentation purpose:

This program will focus on the management of acute opioid withdrawal in the setting of co-occurring Psychiatric Disorders in the inpatient setting. Topics that will be addressed are common co-occurring Psychiatric Disorders with Opioid Use Disorder. This will be a continuation of the topic presented in the first hour.

Learning objectives:

- List commonly co occurring substances used along with opioids
- Discuss pitfalls in screening for polysubstance use
- Specify treatment goals in co occurring disorders
- Understand ways in which treatment may differ in cases of polysubstance use v opioid use alone

Target audience:

This activity is designed for the interdisciplinary audience including the following: Physician, Physician Assistant, Pharmacist, Nurse, Advanced Practice Nurse

Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Commercial Support:

No commercial interest was received for this CE/CME activity.

Accreditation:

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation:

This activity was planned by and for the healthcare team, and learners will receive 1.00 IPCE credit(s) for learning and change.

Ascension designates this Live Activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is awarded 1.00 ANCC contact hour(s). (based on 60 minutes per contact hour)

Ascension has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

This knowledge-based activity qualifies for 1.00 contact hours of continuing pharmacy education credit. Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.
