

Continuing Education/Continuing Medical Education (CE/CME)

Management of Ruptured Cerebral Aneurysms

WHEN: September 27, 2023 — 11:00 AM CT (12:00 PM ET)

Registration:

Register in myLearning by searching "Neuro Stroke Webinar: Management of Ruptured Cerebral Aneurysm"
(Course Code: ASC CRX NS MRCA 2023)
A link to the webinar will be emailed to registered participants.

Presentation purpose:

This webinar is part of the Neuro/Stroke Educational Webinar Series. Join us to learn about the diagnosis and management of ruptured brain aneurysms from the patient's initial presentation and through their journey to recovery.

Learning objectives:

- Identify different types of cerebral aneurysms and risk factors for formation of aneurysms
- Discuss initial diagnosis and management of aneurysmal subarachnoid hemorrhage
- Compare different modalities of treatment of ruptured brain aneurysms and briefly describe follow up

Target audience:

This activity is designed for the interdisciplinary audience including the following: Nurse

Commercial Support:

No commercial interest was received for this CE/CME activity.

Accreditation

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation:

This activity is awarded 1.00 ANCC contact hour(s).
(based on 60 minutes per contact hour)

Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.
