Presentation purpose:

This virtual CME program offers multi-speaker content (varying clinical disciplines) designed to effect change in clinician competence, performance, or patient outcomes. It is expected that participating clinicians will report greater confidence in their approach to the clinic problems presented and/or describe how they will change their behavior and apply the newly acquired strategies to their practice (competence).

Learning objectives:

- Use the Cloud CME platform in order to easily access additional CME programming
- Understand the current state of our Indiana AMG performance as well as our national AMG performance, and have awareness of our strategy for continued improvement of quality health outcomes, patient experience, value and clinician experience.
- Identify HC and the importance of Mission Integration as we move forward in these challenging times.
- Discuss our own Wellbeing Index and how we compare our "distressed" scores with a national aggregate.
- Utilize optimization tactics to use in Athena for improved practice efficiency
- GME and how to coach residents.
- Envision our new Pediatric Cardiology Services
- Dive into clinical subjects such as ATBX Stewardship, Hepatic Steatosis, Obesity, and medicine management.
- Non-opioid pain management

Target audience:

This activity is designed for the interdisciplinary audience including the following: Physician, Physician Assistant, Pharmacist, Nurse, Pharmacy Technician, Advanced Practice Nurse

Commercial Support:

No commercial interest was received for this CE/CME activity.

Accreditation:

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation:

This activity was planned by and for the healthcare team, and learners will receive 4.00 IPCE credit(s) for learning and change.

Ascension designates this Live Activity for a maximum of 4.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is awarded 4.00 ANCC contact hour(s). (based on 60 minutes per contact hour)

Ascension has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 4.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

This knowledge-based activity qualifies for 4.00 contact hours of continuing pharmacy education credit. Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities.

Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Name of individual	Individual's role in activity	Nature of Relationship(s) / Name of Ineligible Company(s)
