Critical Care Case Presentation

WHEN: 1st Thursday of the Month (0700-0800)

Presentation purpose:

Critical Care patients often present in a confusing and chaotic environment; physical examination is performed by multiple caregivers and a systematic approach is not followed. Case Presentations creates a forum for healthcare providers to exchange opinions and treatment recommendations.

Learning objectives:

- Develop a systematic approach to assessment to identify and prioritize all injuries and illness.
- Recognize communication across the multidisciplinary team is vital to clinical care and outcomes.
- Identify case presentations as a venue to share information and opinions across disciplines.
