

Continuing Education/Continuing Medical Education (CE/CME)

Stroke: Role of the NeuroInterventionalist

WHEN: September 22, 2022 — 12:00 PM CT (1:00 PM ET)

Registration:

Register in myLearning by searching "Neuro Stroke Webinar: Role of The Neurointerventionalist" (Course Code: ASC CRX NS RNI 2022)
A link to the webinar will be emailed to registered participants.

Presentation purpose:

Neuro/Stroke Webinar Series: Live webinar reviewing the role of the NeuroInterventionalist and stroke care specific to Acute Ischemic Stroke and Hemorrhagic Stroke subclass of Subarachnoid Hemorrhage.

Learning objectives:

- Review the 2 types of Stroke.
- Define the role of the NeuroInterventionalist during Stroke diagnosis and care.
- Describe the initial management, treatment, and risks of endovascular treatment of aneurysmal subarachnoid hemorrhage.
- Specify treatment options for Acute Ischemic Stroke.
- Explain the key studies regarding endovascular thrombectomy for large vessel Ischemic Stroke.
- Show case studies from Endovascular Stroke treatment.
- Remember to BE FAST, Time is Brain saved!

Target audience:

This activity is designed for the interdisciplinary audience including the following:

Specialties: Neurology
Professions: Nurse

Accreditation:

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation:

This activity is awarded 1.00 ANCC contact hour(s) (based on 60 minutes per contact hour)

Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Commercial Support:

No commercial interest was received for this CE/CME activity.
