### Presentation purpose:

The occurrence of bleeding at times other than expected menses is common. Up to one-third of women will experience abnormal uterine bleeding in their life, with irregularities most commonly occurring at menarche and perimenopause. Attendees will learn normal uterine anatomy and physiology as a basis to understand how abnormalities of these processes lead to abnormal uterine bleeding.

**Learning objectives:** Upon completion of this activity participants should be able to:

- Describe the normal physiology of the menstrual cycle and sites in which this process can be disrupted
- Describe the components of the PALM-COEIN acronym for evaluating and classifying abnormal uterine bleeding
- Describe the most common treatment methods for abnormal uterine bleeding

### Target audience:

- This activity is designed for the interdisciplinary audience including physicians, nursing, pharmacy, psychologist, physician assistants

### Credit Designation:

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 1.0 IPCE credits for learning and change.

### Faculty/Course Director/Planners:

Ascension/St. Vincent's Health has selected all faculty participating in this activity. It is the policy of Ascension/St. Vincent's Health that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

**Conflict of Interest:** In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension/St. Vincent's Health to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

**Commercial Interest:** No commercial interest was received for this CE/CME activity.
