PIN#: 465 747 478

### Presentation purpose:

Primary care teams provide the majority of post-stroke, however patients with acute strokes are now presenting more frequently to primary care offices for initial evaluation. Why is this? What could be done? And how can we as providers best serve these patients?

**Learning objectives:** Upon completion of this activity participants should be able to:

- Summarize why there is an increase in initial presentations of stroke patients in the primary care setting
- Review some red flags that indicate a patient should be seen urgently by neurology
- Review how initial workup can be completed in the primary care setting

### Target audience:

- This activity is designed for the interdisciplinary audience including physicians, nursing, AAPA, APA

### Credit Designation:

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive .50 IPCE credits for learning and change.

### Faculty/Course Director/Planners:

Ascension/St. Vincent's Health has selected all faculty participating in this activity. It is the policy of Ascension/St. Vincent's Health that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

**Conflict of Interest:** In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension/St. Vincent's Health to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities.

Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

**Commercial Interest:** No commercial interest was received for this CE/CME activity.
