Presentation purpose:

Post stroke follow up care. What is the role of the PCP in the care of Stroke survivors and how can vascular neurologists facilitate this? Using quality improvement strategies and available resources this talk aims to provide information and resources for primary care providers that can be used to enhance the delivery of evidence-based care and optimize outcomes in our stroke patients.

Learning objectives: Upon completion of this activity participants should be able to:

- Review information and resources for primary care providers that can be used to enhance the delivery of evidence-based care and optimize outcomes in our stroke patients

Target audience:

- This activity is designed for the interdisciplinary audience including physicians, nursing, AAPA, APA

Credit Designation:

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive .50 IPCE credits for learning and change.

Faculty/Course Director/Planners:

Ascension/St. Vincent's Health has selected all faculty participating in this activity. It is the policy of Ascension/St. Vincent's Health that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest: In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension/St. Vincent's Health to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities.

Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Commercial Interest: No commercial interest was received for this CE/CME activity.
