

Continuing Education/Continuing Medical Education (CE/CME) Ascension AL Grand Rounds - Improving Access to Palliative Care

WHEN: April 11, 2023 — 1:00 PM Ascension AL (East) Room 1

Presentation purpose:

Palliative care is an effective strategy to improve the quality of care and quality of life for seriously ill individuals while reducing the cost of care for these patients. Providers lack familiarity, discomfort with the topic, and stigma inhibits providers from offering palliative care and can prevent families and patients from asking for the services that can support their individual goals and quality of life. This activity will address how to improve access to Palliative Care.
