ONLINE: [Live Stream: Live Stream Link](#)

OR IN PERSON: St. Vincent's East

Birmingham, AL • Room 1

For more information call (205) 838-3225

Presentation purpose:

Opioid analgesic medications can bring substantial relief to patients suffering from pain. However, the inappropriate use, abuse, and diversion of prescription drugs in America, particularly prescription opioids, has increased dramatically in recent years and has been identified as a national public health epidemic.

Learning objectives: Upon completion of this activity participants should be able to:

- Understand the impact of the 2016 CDC Opioid Prescribing Guidelines on clinical practice
- Review the CDC responses to the unintended consequences of the guidelines
- Consider the 2022 revised guidelines
- Ponder the possible outcomes of these revisions and how they may impact clinical practice in prescribing opioids in the future

Target audience:

- This activity is designed for the interdisciplinary audience including physicians, nursing, pharmacy, AAPA, APA, ASWB

Credit Designation:

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 1.0 IPCE credits for learning and change.

Faculty/Course Director/Planners:

Ascension/St. Vincent's Health has selected all faculty participating in this activity. It is the policy of Ascension/St. Vincent's Health that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest: In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension/St. Vincent's Health to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities.

Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Commercial Interest: No commercial interest was received for this CE/CME activity.
