

Continuing Education/Continuing Medical Education (CE/CME) Pharmacy Law - Drug Diversion 12-13-2022

WHEN: December 13, 2022 — 9:00 AM - 10:00 AM

Disclosures: Bradley Nix, PharmD has no relevant financial relationships with ACCME-defined commercial interests and will disclose verbally. All Ascension planners and reviewers have no relevant financial relationships with ACCME-defined commercial interests.

Presentation purpose:

This activity will provide a legal overview of Drug Diversion, specifically focusing on Chain of Custody. After this activity, the Pharmacy Technician will be able to describe the Chain of Custody, identify opportunities for diversion and endorse changes to the Technician's role in reducing controlled drug diversion in a hospital setting.

[Live Stream Link](#) (Click on Alabama)

Learning objectives:

- Describe the chain of custody in terms of managing controlled drug diversion
- Identify potential opportunities for controlled drug diversion within the chain of custody
- Endorse the pharmacy technicians role in reducing controlled drug diversion

Target audience:

This activity is designed for the interdisciplinary audience including the following:

Professions:

Professions: Pharmacist, Pharmacy Technician

Accreditation

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation:

This knowledge-based activity qualifies for 1.00 contact hours of continuing pharmacy education credit. Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Commercial Support:

No commercial interest was received for this CE/CME activity.
