Scott Deboer, RN, MSN, CEN, CCRN, CFRN, CPEN, EMT-P

## Learning Objectives:

- Learners will be able to describe the current assessment and management priorities for various pediatric traumatic emergencies.
- Learners will be able to explain current airway management techniques and use of Delayed Sequence Intubation.
- Learners will understand the basics of burn care.
- Learners will be able to describe methods for stabilizing orthopedic injuries utilizing readily available equipment.
- Learners will be able to explain their role in an EMS Time Out when transferring patient care.
- Learners will be able to identify structures within the chest, as well as be able to discuss assessment techniques and management of traumatic chest injuries.
- Learners will describe and discuss common themes regarding standards of care and documentation errors in select emergency medicine malpractice cases.

## Target Audience:

This activity is designed for the interdisciplinary audience including the following:

Specialties: EMS (Pre-Hospital), Emergency Medicine, Pediatrics, Trauma, and Critical Care Medicine

Professions: Physicians, Physician Assistants, Nurses, Pharmacists, Pharmacy Technicians, Social Workers, Physical/Occupational Therapy, Respiratory Therapy, Pre-Hospital Providers, Students, Other

## Accreditation:

In support of improving patient care, Ascension is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## Credit Designation:

This activity was planned by and for the healthcare team, and learners will receive 6.50 IPCE credit(s) for learning and change.

Ascension designates this Live Activity for a maximum of 6.50 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is awarded 6.50 ANCC contact hour(s) (based on 60 minutes per contact hour)

Ascension has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 6.50 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

This knowledge-based activity qualifies for 6.50 contact hours of continuing pharmacy education credit. Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

As a Jointly Accredited Organization, Ascension is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program.

Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Ascension maintains responsibility for this course. Social workers completing this course receive 6.50 continuing education credits.

This program meets the Indiana Health Professions Licensing guidelines to provide 6.50 continuing education credits for Occupational Therapy in Category I by the OT Committee Board (#98000493A). (OT's/COTAs, please choose the General Attendance certificate in the IPCE website, complete the eval, and keep a copy of the brochure. This is only for OTs/COTAs licensed in Indiana)

This program meets the Indiana Health Professions Bureau guidelines to provide 6.50 continuing education credits for Respiratory Therapists. (RT's please choose the General Attendance certificate in the IPCE website, complete the eval, and you will receive a RT certificate from Valarie Millard-Combs. This is only for RT's licensed in Indiana)

## Faculty/Course Director/Planners:

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

## Conflict of Interest:

In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities.

Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.
